

# Vivek Khade

## Full Stack Developer

Overall 2.5+ years of professional IT experience with relevant skills including problem-solving, and programming.  
On the front end, excel in HTML, CSS, and JavaScript, with expertise in ReactJS and AngularJS for building dynamic and responsive user interfaces.  
On the backend, proficient in Node.js and Express.js, easily handling server-side logic and API development. Have a solid understanding of databases, including MongoDB and SQL.
